NEW STOCK LAW.

The county is made the unit for adoption of stock laws by a popular vote, as is provided for in law under an act of the recent General Assembly which was approved by the Governor and will become effective June 15. Heretofore laws have been adopted by the magisterial districts with the resultant confusion in counties where adjoining districts have different laws. This measure was one of several intended to correct the difficulties and finally met the approval of all parties concerned.

MINE EXAMINATIONS.

Examinations for foremen and mine bosses, which are held under the State Mining Inspector, are to be held in four places, instead of one, under a new law passed by the recent Legislature. Lexington, the present place of examination, is to be retained under this act. The three places to be added are to be situated in the Western coal field, the Southeastern field and the Central or Northeastern field. The purpose is to save a long trip for men who are to take the examination. All applicants must pay fees for expenses to the State, no public funds will be lost by the change.

WEAK, NERVOUS, ALL RUN-DOWN

Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. 'I saw after taking some Cardui that I was improving. The result was surprising. I felt like a different person. 'Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me.... My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it.'"

Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments. For sale everywhere. E.38

For Ten Dollars and Ninety Cents—This 30 x 3 1/2 Usco

THE 30 x 3 1/2 tire situation today is just this—

The man who buys an USCO at \$10.90 is justified in believing that his money is going farther in tire value than it ever has gone or could go before.

Naturally he appreciates the quality of USCO. That was established long ago.

It is still fresh in his mind that USCO led the national market into the \$10.90 price range.

The makers of U.S. Tires always intended the 30 x 3 1/2 USCO to be the highest value in its field.

At \$10.90 it creates a new classification of money's worth.
